

FIFTEEN YEARS OF GIVING IN POCAHONTAS COUNTY

 POCAHONTAS
COUNTY
FOUNDATION
BUILDING WITHIN COMMUNITIES

OUR MISSION

The Pocahontas County Foundation was organized to promote and enhance community based philanthropy in Pocahontas County. The Foundation receives funding to facilitate endowment-building and grant-making throughout the county. Seventy-five percent of these funds will be awarded through grants to charitable organizations for educational, civic and public purposes in Pocahontas County.

CELEBRATING 15 YEARS!

POCAHONTAS COUNTY FOUNDATION

The Pocahontas County Foundation was organized in 2005 to promote and enhance community based philanthropy in Pocahontas County. The Foundation receives funding to facilitate endowment-building and grant-making throughout the county. Seventy-five percent of these funds will be awarded through grants to charitable organizations for educational, civic and public purposes in Pocahontas County.

To date over \$1.3 million has been granted to more than 330 projects. Each community in Pocahontas County has received funding for projects. The projects have included park equipment, library enhancements and resources, educational and leadership programs, the county Barn Quilt project, Farmers Market sites and signs, community beautification projects, safety equipment for fire departments, EMS and schools, hospital equipment, signage for public areas and community entrances, 4-H technology program (STEM), landscaping, Memorial parks, and recreational equipment.

The funding for the grants available to the Pocahontas County Foundation was made possible by the Iowa General Assembly. In 2004 the Iowa legislature passed several bills to encourage foundation building and community based philanthropy. Among these measures was H.F. 2032, which provided that non-gambling counties initiating a county-wide community foundation would be eligible to receive one half of one percent of the state's gross gambling tax receipts.

Non-profit agencies or other qualifying charitable organizations operating for the benefit of Pocahontas County may apply for grants.

HIGH-IMPACT GRANT AWARD

In 2019 the Pocahontas County Foundation Board introduced the High-Impact Grant Award. This grant is awarded to a project that will greatly impact all of the Pocahontas County residents. The maximum award amount for the high-impact grant is 20% of the total amount of dollars to be awarded for that year.

The project should address a significant County issue which impacts many County residents and addresses these additional criteria:

- Aligns with Pocahontas County Vision Committee's goals
- Encourages cooperation, creates efficiencies and reduces duplication of services
- Demonstrates quality, vision, collaboration and good management
- Provides a plan for sustainability beyond the funding period

2021 HIGH IMPACT AWARD RECIPIENT PRAIRIE FIT TRAIL

POCAHONTAS CATHOLIC SCHOOL
\$15,000.00

This COVID-conscious project is a multi-generational fitness, education, and recreation system conveniently available to all and lending to the vision of making Pocahontas County a great place to live, work, and play by expanding recreational opportunities through a Fitness Trail that is also visually appealing.

It includes 15 stations for which users of all ages and fitness levels can self-pace, while learning how to do a variety of exercises, while being encouraged and instructed (how) to check heart rate. Fun for all ages and stages. Lovingly open for the public, including passersby, as well as marketed to the surrounding area. Removes barriers to community health and wellness with no gym membership fees—it's FREE to use! The additions of the Prairie Fit Trail will be of great value to the Pocahontas area.

Our approaches to giving are personal, simple and flexible. By partnering with us you focus on the joy of supporting the causes you care about in ways that fit your needs, while we ensure the administrative details of giving are taken care of at the highest standard. We offer a variety of charitable giving fund options to match your needs and provide access to unique tax-wise giving opportunities like Endow Iowa, a 25% state tax credit. We are also here to ensure that your charitable legacy continues for generations to come so that the causes and communities you care about today will benefit from your generosity after your lifetime. Whether working with us directly or through your trusted professional advisor, we are here to meet your giving goals and make Pocahontas County better together.
